Title

Community Development Update

Background

Community Development is a department that consists of three divisions, and it partners with a fourth entity, which is the Fridley HRA. There are always interesting, complex projects going in each of the four divisions and the department always welcomes a discussion with Council to not only offer updates, but also to answer questions that exist for Council.

Looking forward to Monday evening and to our discussion.

Financial Impact

Absorbed

Recommendation

Staff recommends Council enjoy the presentation and feel free to ask questions as they arise.
