AGENDA REPORT

Meeting Date: January 2, 2024

Meeting Type: Parks and Recreation Commission

Submitted By: Mike Maher, Parks and Recreation Director

Title

Moore Lake Park Tour

Background

The Moore Lake Community Building construction is nearing completion with substantial completion set for the first week in January. Staff expects that several months will be needed to complete owner-responsible items such as wi-fi access, furnishings, signage and custodial needs. Community rentals will be accepted beginning in February with the first bookings likely in April. Staff would like to give the Commission the opportunity to tour the building and park prior to public opening. The building is enclosed and secured and will be running on temporary heating until mid-January. Commissioners are encouraged to wear comfortable walking shoes and to dress for the outdoors in the event that conditions allow for a full park tour. Hard hats and safety vests will be provided if needed but active construction should not be occurring during the 6:00 pm tour.
